

# Saint Joseph School

## Band Registration Form

**Saint Joseph Band Program:** The Saint Joseph Band Program is an award winning program that is both fun and educational. All of the bands participate in a variety of activities throughout the school year. Please note that participating in band is a year long commitment and students will not be allowed to drop once they have started.

**Beginning Band** - Each student will receive one 30 minute group/private lesson each week. After Christmas Break students will meet in a large group on Wednesday's at recess in addition to their group/private lesson. Beginning Band is for students in their first year of playing.

**Concert Band** - The Concert Band will practice on Monday's and Friday's during their recess time. Attendance at all practices is MANDATORY unless you are out from school or have a note from a parent/teacher. Each student will also receive one 30 minute group/private lesson each week. Concert Band is for students in grades 4-5 who are in their second and third year of playing.

**Symphonic Band** - Symphonic Band will practice on Tuesday's after school from 2:30-4:00. Due to the large number of 6-8th graders in the group we are moving our practices to after school so the students are not missing so much class time. Attendance at all practices is MANDATORY unless you are out from school or have a note from a parent/teacher. Each student will also receive one 30 minute group/private lesson each week. Symphonic Band is mainly for students in grades 6-8 with a few younger students who have been appointed by the director on an at need basis.

**Jazz Band** - Jazz Band will practice on Thursday's after school from 2:30-4:00. Attendance at all practices is MANDATORY unless you are out from school or have a note from a parent/teacher. This group is mainly for students in grades 6-8 who play saxophone, trumpet, trombone/baritone, drums, piano or guitar. Younger students and different instruments are appointed by the director on an at need basis.
